

EasyDesk

YOUR SPACES. MAPPED AND MANAGED.

WHY EASYDESK?

EasyDesk is a space management system. With EasyDesk, you'll digitalize your spaces, understand how they are used, and reduce management costs. Our service is ideal for offices, universities, co-working spaces, libraries, gyms, and more.

KEY BENEFITS AND FEATURES

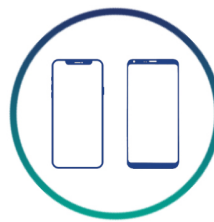

Digitalization

We map every spot with an NFC tag and a QR code, giving you a complete overview of your spaces.

Full Control

Set up bookable schedules and manage every booking on our administrative platform.

Efficiency

Save your visitors time thanks to our Mobile App. They can book in advance or through fast-booking.

Covid-Proof

Set up cleaning schedules to ensure safety in your spaces. Only sanitized spots are bookable.

IMPLEMENT IN 3 EASY STEPS

1 MAP (1 week)

We map every space that you want to be bookable, such as:

- study spots
- study rooms
- classrooms
- cafeterias

2 INSTALL (1 week)

Our EasyTags are stickers that include an NFC tag and a QR Code. They are:

- water proof
- durable
- applicable on metal

3 SET UP (2 weeks)

We set up the online infrastructure for your organization, including:

- admin platform
- mobile app
- private login

OUR FOCUS ON PRIVACY

Privacy is an integral part of what we believe in. We fully comply with GDPR standards and do not collect any type of personal data.

MORE APPLICATIONS

UNIVERSITY

Improve the studying experience on your campus

CO-WORKING SPACE

Attract more guests with our extremely user-friendly App.

LIBRARY

Ensure a fair studying experience with presence-verification tools.

ACTIVITIES

Schedule activities and manage attendance.

And More!
